

# Society of Women Engineers

## General Meeting 2

ASUC&ESC Sponsored | Wheelchair accessible

### What?

The Society of Women in Engineering will be hosting an interdisciplinary discussion panel, moderated by our Professional Section Liaison, Kristen Salinas. Leaders involved in diverse industries will be present to answer questions such as, "How does engineering play an important role in our society across multifunctional groups?"

### When?

Monday, October 17

6 – 8 PM

Wozniak Lounge

(Soda Hall)
