

# SOCIETY OF WOMEN ENGINEERS

## \$500 SCHOLARSHIP & CISCO INTERNSHIP OPPORTUNITY

### Why Cisco?

- We challenge you
- We'd like you to challenge us
- We're socially responsible
- You can develop and grow how and where you want
- Our innovations have transformed how people connect, communicate, and collaborate
- You'll have a work/life balance
- We go wherever our innovations lead us: cloud, video, healthcare, green energy
- We are consistently honored as a most desirable employer

Cisco Systems is proud to sponsor a scholarship and internship opportunity specifically for SWE members at UC Berkeley.

### We are recognizing exemplary individuals who meet or exceed the following criteria:

- Currently an active SWE member
- Currently majoring in Computer Science, Electrical Engineering, or Industrial Engineering
- Currently of Sophomore or Junior standing
- Is available for a Summer 2014 Engineering Internship
- Must have GPA of 3.0 or higher
- Shows strong potential and interest for a career in technology
- US Citizen or Permanent Resident

### Award Benefits:

- \$500 scholarship
- Interview with Cisco for Summer 2014 Engineering internship

"I've only been here a year, but I'm actually working on new products. This is totally a program for engineers."

### To Apply :

Submit your current resume and a personal statement addressing the following: Your 1) leadership potential and community involvement, 2) passion for technology, and 3) interest in Cisco. All applications must be sent to [maralejo@cisco.com](mailto:maralejo@cisco.com) no later than **5 PM PST** on **Tuesday, October 1, 2013**.
