

EVENTS RECAP

Social events: We had our first Membership Social on February 5. Many people attended and had a lot of fun DIYing Valentine's Day Milk Cartons. Our first SWEet Breakfast this semester took place on February 9. A lot of students dropped by before or after their morning classes and enjoy the bagels with different flavors of cream cheese. On February 16, we hosted SWE February Birthdays to celebrate birthdays for people who were born this month. Peet's coffee and cakes were served, and everyone who came really enjoyed it.

Outreach events: The first SWE Science Scholars/ Saturday took place on February 6. SWE Science Scholars/ Saturday is a 2-hour fun engineering projects and lessons. A lot of kids came and all had great fun. Thanks to all the volunteers who helped make this event wonderful! If you want to become a volunteer, contact an outreach committee member.

From February 8 to February 10, SWE and 3DMC co-hosted a 3-D Valentines Fundraiser. A lot of people bought these special 3D-printed Valentine's Day trinkets, including open heart pendants, hearts with moving gears, and sweetheart boxes with tokens. Profits will be donated to the Suitcase Clinic, a student-run organization that helps the homeless and underserved population right here in Berkeley.

Infosessions: In the last few weeks, we helped organized CDM Smith Infosession, Lenlease Infosession, CAISO infosession, and Bechtel Infosession. Thanks to everyone who came! Coming to infosessions is a great way to build connections with company representatives and land an internship or full-time job! To find out more about career opportunities, check out SWE Job Board: <https://swejobs.wordpress.com/>

TIPS FOR FINDING A SUMMER INTERNSHIP

Summer internship are not only important in building your resume, but also give you practical engineering experience. As internship hunting season is upon us, everyone should get prepared, and here are some tips for finding a summer internship.

1. Build a professional LinkedIn profile
2. Polish your resume (Career Center is a good resource!)
3. Make use of Callisto, Piazza and other job platforms. Complete your profile.
4. Go to infosessions and career fairs and talk to company representatives (SWE hosts a lot of infosessions and startup expo!)
5. Build your personal connections by attending alumni social events

UPCOMING EVENTS

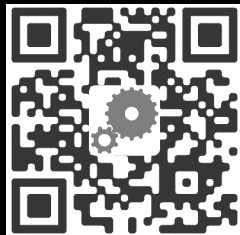

MARCH 2016

Feb.	Thu, 25	Yahoo! Tech Talk
	Fri, 26	Oscars Movie Night: Free screening of The Martians
Mar.	Tue, 1	SWEEt Breakfast #2, Google Infosession
	Fri, 4	House Membership Social #2
	Sat, 5	Berkeley Project; SWE Start-up Expo; SWE Science Saturdays and Scholars
	Tue, 8	AutoDesk Infosession
	Wed, 9	SWE/UPE Trivia/Game Night
	Fri, 11	Mini University
	Sat, 12	Engineering 4 Kids Day
	Tue, 15	SWE General Meeting #3
	Wed, 16	SWE March Birthdays

SWE GM NEWSLETTER

VOLUME 24, ISSUE 2 | FEBRUARY, 2016

IN THIS ISSUE

p1. Tips for how to
stay productive
during midterm seasons

p2. Past event recaps

p3. Tips for finding a
summer internship

p4. Upcoming events

Women in UC Berkeley Milestone:

From 1900 to 1940, only 2 women earn
engineering degrees in 40 years.

Midterms are coming...

HOW TO STAY PRODUCTIVE?

1. Assemble and organize your study materials before you study
2. Turn off and put away mobile devices
3. Get enough sleep
4. Schedule study session and breaks well (try pomodoro strategy!)
5. Eat well and drink enough water
