

Hi, I'm Monica Mohal and I'm running for Vice President. I started out second semester freshman year on the social committee. I chaired a SWEet Breakfast and attended all the socials and got outstanding social member. I decided to apply to be an officer and I'm currently the intersocietal coordinator. Some of the events I've planed this year are a Halloween social, Valentine's day social, Game night, and a photo scavenger hunt. In addition to intersocietal event planning, I help the social coordinator with her events. I believe that my experiences as intersocietal coordinator will help me transition into the role of Vice President for next year.
