Memorial Glade BBQ with H@B and SWE by Jessica Chang

Last Saturday Hackers @ Berkeley and SWE hosted a barbecue on Memorial Glade with Subway sandwiches, cookies, iced tea, and perfect weather! I had tons of fun playing cheesy icebreakers, throwing water balloons and playing ultimate frisbee, and just getting to know everybody. It was the perfect time to relax in the midst of midterms and socialize with officers and members of both H@B and SWE. Hopefully there will be more social events to come! Check out the Gallery of our Social Events on Page 3

GM Alumni Speakers

We are really happy to have this General Meeting with us some of our best and brightest SWE Alumni to talk about their experience into industry:

Supada Sritanyaratana
Bioengineering 2013
Genentech - Rotational Analyst

Sara LaVigna
EECS 2012
Google - Software Engineer

Ipsheeta Furtado
Class of 2008
FTW Group, Inc. - President

Sandra Cohen
Civil Engineering
PricewaterhouseCoopers

The Root Beer Float Party **by Mara Minner**

Top 10 Halloween Movies : **By Heather Hughes**

Whether you're looking for something to watch Halloween night or just trying to get in the Halloween spirit during October, this list has great options for thrill-seekers and laugh-seekers alike:

- 1.) It's The Great Pumpkin, Charlie Brown
- 2.) Hocus Pocus
- 3.) Halloweentown
- 4.) Ghost Busters
- 5.) Monsters Inc.
- 6.) The Nightmare Before Christmas
- 7.) The Addams Family
- 8.) Night of the Living Dead
- 9.) Creepshow
- 10.) Halloween (1978)

The Root Beer Float Party was a fun and delicious way to let off some steam and meet new people. Many choices of soda were available for members to make the perfect ice cream and soda combination, with root beer being the most traditional soft drink choice and orange soda being the most unique and surprisingly tasty (like a creamsicle!).

Infosessions recap... **by Aleksandrina Stoyanova**

During last month SWE hosted several Infosessions and tech talks with different companies. Among them were General Motors, Accenture, Bechtel, Boeing and Cisco. Even right now there is Riverbed's Tech Talk happening at the Wozniak Lounge.

If you really enjoyed today's talk with our alumni and want to get into the industry stay tuned for our future events!

SWE Science Saturdays

If you are interested in spreading your passion for science and engineering to for 4th and 5th graders from local elementary schools, you can join is in our monthly SWE Science Saturdays! SWE Science Saturdays are 2 hour fun engineering lessons and challenges from 10am-12pm. Each session focuses on a different engineering or science discipline.

Single Serving Pumpkin Pie Cake

Prep time - 5 mins

Cook time - 2 mins

Total time - 7 mins

Ingredients

- ½ cup pumpkin puree
- 1 egg (or 2 egg whites)
- 2 T. oat flour (or 3 T. oats)
- ¼ t. pumpkin pie spice
- ¼ t. baking powder
- 2 packets stevia (or sweetener of choice)

Instructions

1. Combine all ingredients and blend in a blender or Magic Bullet. You can also mix by hand, if you're using oat flour.
2. Pour batter into a greased mug or small baking dish; Microwave for 2 minutes.
3. Create a "frosting" but combining Greek yogurt

with sweetener, and cinnamon. (Not optional! ☺) Sprinkle with walnuts (optional, but highly recommended).

4. Note: I also added cinnamon cream cheese to my frosting (see below for details), which made it even more decadent and delicious!
